

Bloor/Dundas Visioning Session Community Consultation

Visioning Session #3
Wednesday, March 26, 2008 6:30pm – 8:30pm
Lithuanian House
1573 Bloor Street West

The area of Bloor Street West between Keele Street and Dundas Street West is an area in transition. Both major streets are designated as ‘Avenues’ in the new City of Toronto Official Plan. ‘Avenues’ are important corridors where some redevelopment is anticipated and encouraged in order to accommodate growth.

The City’s Planning Division has initiated three sessions to assist in developing a collective vision to guide and shape future planning and development for this stretch of Bloor Street West.

This third and final session will build upon the previous sessions held on January 16, 2008 and March 5, 2008. At this session, City Staff will present draft recommendations to the community. Your input and feedback will help the City formulate principles to guide the evolving character of the area.

If you cannot attend the meeting, you can still make your views known by sending a fax to 416-392-1330 or by writing to Ray David, Acting Director, Community Planning, Toronto and East York District, City Planning Division, 100 Queen Street West, Floor 18 E, Toronto, Ontario, M5H 2N2.
