

The City of Toronto holds public consultations as one way to engage residents in the life of their city. Toronto thrives on your great ideas and actions. We invite you to get involved.

King Liberty Pedestrian/Cyclist Link Municipal Class Environmental Assessment

Notice of Public Open House

Public Consultation:

We invite you to attend our first Public Open House to learn more about the project, the potential locations for a pedestrian/cyclist link, and the next steps for this study. Drop by anytime to view information displays, provide your comments and speak one on one with project staff. Details are as follows:

Date: Tuesday, March 9, 2010

Time: 7:00 p.m. to 9:00 p.m.

Location: Liberty Market Building

171 East Liberty Street,

Tenant's Lounge, 2nd Floor 

(Entrance is off East Liberty Street beside the Bank of Montreal)

Background:

The City of Toronto has initiated a Municipal Class Environmental Assessment Study (Schedule "C") to determine possible locations for the construction of a pedestrian/cyclist link through the CN/CP railway corridor between Atlantic Avenue and Strachan Avenue, along with a workplan for achieving this pedestrian/cyclist link. The link is to be accessible to all pedestrians and cyclists. A pedestrian/cyclist link would result in an enhanced pedestrian and cyclist environment, allowing for improved access between the communities north and south of the CN/CP railway tracks.

The study area is bounded by Queen Street West to the north, CN railway corridor to the south, Strachan Avenue to the east and Atlantic Avenue to the west as shown in the map.

We would like to hear from you:

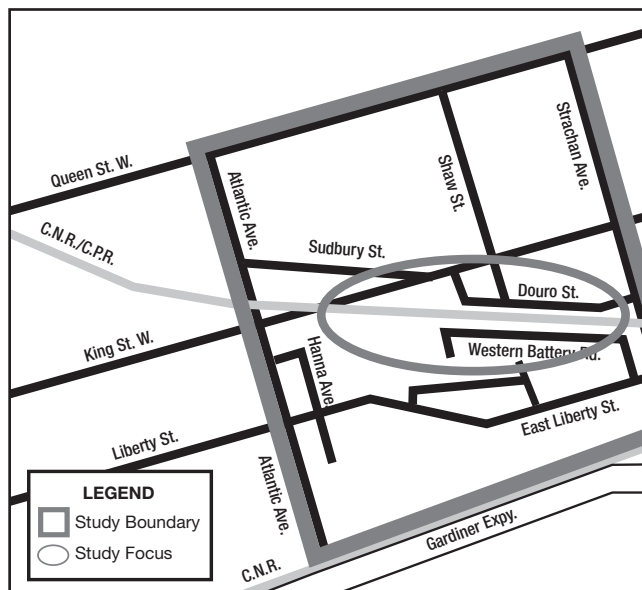

Public consultation is an important part of this study.

If you would like more information, please contact:

Issue Date: February 25, 2010

Take a Picture...

One way you can get involved in this study is to tell us about the study area. Take a walk or bike around the study area. On your way, think about what you like/dislike about walking/cycling in the area:

- What are your favourite destinations/places to walk and/or cycle to in the area?
- What destinations/places would you rather avoid while walking and/or cycling?
- Where would you like a pedestrian/cyclist link to be located along the CP/CN rail corridor between Atlantic Avenue and Strachan Avenue?

Snap a photo with your cell phone or digital camera. Add a caption to tell us the location of your photo and your comments. Then, send the photos to klphotos@toronto.ca

Plan to attend the first Public Open House (POH) on March 9, 2010. All of the photos and comments submitted will be part of a display that will help set the tone for the Public Open House and the study.

Also remember to check http://www.toronto.ca/involved/projects/king_liberty/index.htm or e-mail mashem@toronto.ca for other ways to get involved.
