

The Port Lands Acceleration Initiative

Stakeholder Advisory Committee Application Form

Introduction to the Stakeholder Advisory Committee

An essential part of the Port Lands Acceleration Initiative is effective communication and consultation with members of the public and stakeholders. The Stakeholder Advisory Committee (SAC) is intended to provide a multi-stakeholder forum for discussion of approaches, concepts and alternatives as part of the project. The SAC membership will be comprised solely of representatives from interested and affected stakeholder organizations. The SAC is not intended to address specific property ownership issues or concerns.

Applications Invited

Waterfront Toronto and the City of Toronto recognize that advisory bodies should reflect the geographic distribution and diversity of the communities they serve. In addition to seeking geographic representation when nominating a member to represent your organization on the SAC, consideration should be given to nominating candidates from the following equity seeking groups: Women, young adults 18 to 30, Aboriginal/First Nations People, persons from visible minority groups, and people with disabilities.
