Questions of Clarification

7:20 pm Interactive Workshop

SAC members will be given the opportunity to learn more about and provide input on pre-screening results and the evaluation framework, and further develop concepts for segments of the study area through facilitated discussions at stations focusing on the questions below.

Discussion Questions

Thinking about the pre-screening results for each segment of the study area...

- What do you like?
- What, if anything, concerns you and why?
- Which options do you prefer?
- What refinements, if any, would you suggest?
