## Combined Sewer Replacement on Spencer Avenue from 70 Spencer Avenue to 100 Spencer Avenue

**Contract: DCS004-2017**  
**Start Date: May 15, 2017**  
**End Date: June 9, 2017**  
*\*Timeline is subject to change.*

The City of Toronto will replace the combined sewer and a portion of the City-owned portion of sanitary service laterals on Spencer Avenue from 70 Spencer Avenue to 100 Spencer Avenue starting in May 2017. This replacement is in response to an operation defect found in this sewer, and is necessary for the functionality of the sewer system.

### MAP OF WORK AREA

### WORK DETAILS

The City’s contractor will move equipment on-site and prepare the work area before construction begins. Construction crews will then:

- Excavate the road and dig a trench to access and install the new sewer.
- Restore work areas with asphalt, concrete and/or sod, when the underground works are complete.

### WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- Property owners should remove items located within City property limits (boulevard), such as landscaping and / or decorative objects.
- The City will not be responsible for damage to any privately owned items on City property.

	<p><b>Work Hours:</b> Work will take place from 7:00 am to 7:00 pm., Monday to Friday, with work after hours and on weekends as required.</p>
	<p><b>Road and Sidewalk Access:</b> In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p> <p><b>Driveway Access:</b> The contractor will notify you of any temporary restrictions to your driveway access.</p>
	<p><b>Traffic Management:</b></p> <p>Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Some of these efforts include adding Local Access Only and Road Closed signs. Road users should expect delays and increased traffic on nearby main and side streets.</p>
	<p><b>Parking:</b> Parking in the active work zone is not permitted due to space requirements for construction equipment and materials. If your parked vehicle affects the construction work, it will be re-located with no charge to the owner. If your vehicle is moved, please contact parking control for its location at <b>416-808-2222</b>.</p>
	<p><b>Garbage &amp; Recycling:</b> Please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them. <b><i>Please ensure that you label your bins with your address.</i></b></p>
	<p><b>Restoration:</b> The construction work area will be restored with sod and/or asphalt where required. Interlocking bricks, flagstone on a granular base, or other similar features that are removed from public and private property during construction will be replaced.</p>
