## Watermain Replacement on Indian Trail, Ridout Street and the local lane south of Ridout Street

**Contract: 18ECS-LU-11SU**  
**Start Date: Project Deferred to 2019**  
*\*Timeline is subject to change.*

The City of Toronto recently provided a Construction Notice about watermain replacement on Indian Trail from Indian Grove to Indian Road, Ridout Street from Parkside Drive to Indian Grove and the laneway south of Ridout Street from Indian Grove to Parkside Drive.

There were complications in obtaining utility locates for this project. Due to the delays, construction work has been deferred to 2019. The City will provide a notice before work starts in 2019.

This project is part of the Council-approved 2018 Capital Works Program to renew our aging infrastructure, improve water distribution and reduce the risk of watermain breaks.
