

PARKDALE HUB PROJECT

COMMUNITY MEETING

Get involved and learn more about your community!

The intersection of Queen Street West and Cowan Avenue is home to an important cluster of City facilities and community services, including the Masaryk-Cowan Community Centre, Parkdale Library, and Parkdale Arts & Cultural Centre. City staff are currently exploring the potential to enhance programming and service delivery spaces for the Parkdale community. Join us to learn more about the project and provide input on the conceptual design options for these sites.
